SPAM FLAGGING

Avoid spam trigger words to prevent your e-mail from being tagged as spam by your customer's e-mail server.

See [this article](https://moosend.com/blog/spam-words/) for a list of common trigger words. <https://moosend.com/blog/spam-words/>

All materials must be submitted five business days prior to scheduled e-mail send date. (Late materials may result in a postponed send date.)

A proof will be sent to you from woodfloorbusiness@marketing.woodfloorbusiness.com. This address may need to be whitelisted so it doesn't end up in spam.
